about the **FOUNDATION**

OUR PURPOSE

The Hospice Promise Foundation assists patients and families with essential, non-hospice related expenses they are unable to afford themselves – such as rent and utility bills, emergency repairs, personal care items, and food assistance. The foundation also provides funding for patients’ last wishes, burial assistance, and community projects like bereavement camps for children and educational programs for end-of-life care.

OUR PROMISE

In communities across the country, we’re working every day to ensure hospice patients live comfortably, with dignity, when a cure is no longer possible. But to continue our vital work, we need your support. In return, we pledge to promote our mission to provide comfort and care for the hospice patients and families who have placed their trust in us – and who we are so privileged to serve.

BECOME A HOSPICE PROMISE HERO

When you make a donation to The Hospice Promise Foundation, 100 percent of your donation goes to support patients and families in need and end-of-life education in the communities we serve. Your generosity will make a difference in the life of another, and help ensure his or her final days are spent worry-free and surrounded by loved ones in the peace and comfort of home.

The Hospice Promise Foundation is a 501(c)3 non-profit organization, and your donation is tax-deductible to the extent allowed by law.

A SIMPLE BIRTHDAY WISH BECOMES A MEANINGFUL MEMORY

Mederi Caretenders Hospice – Viera

Viera, FL

The hospice team at Mederi Caretenders in Viera, Florida recently helped fulfill a special birthday wish for one of their hospice patients.

The patient's son arrived from out of town to spend her birthday with her. During his visit, she shared that her wish was to go to the beach one last time to feel the ocean breeze and hear the waves. Because of her medical condition, going to the beach required specialized transportation and additional support to ensure her safety and comfort.

Thanks to the compassion and coordination of the agency staff and the Hospice Promise Foundation providing the funding, the transportation needs were met allowing the patient to leave her home safely to visit the beach.

The patient and her son were able to spend time together at the shoreline, enjoying the fresh air and the sound of the ocean. What began as a birthday wish became a meaningful final experience and a lasting memory for both mother and son.

ITALIAN MUSIC AND A MEAL

Patient Care Hospice – Egg Harbor
Egg Harbor Township, NJ

A patient at Patient Care Hospice - Egg Harbor was declining quickly. In the midst of their physical struggles, they were also sinking into a deep depression. Their last wish was for one more simple, ordinary social activity: a meal shared in a restaurant and an evening surrounded by the warmth of Italian music.

Thanks to the Hospice Promise Foundation, what unfolded was far more than just a night out. It became a moment of restored dignity, a brief return to the life they once loved and a memory filled with light during an otherwise difficult chapter. The patient experienced a truly uplifting and unforgettable time.

COMPASSION COVERS RENT AND RESTORES HOPE FOR FAMILY

SAINT MARY'S HOSPICE OF NORTHERN NEVADA

Reno, NV

A social worker at Saint Mary's Hospice of Northern Nevada (Reno) learned that a patient was facing significant financial difficulty in purchasing enough food. The patient and their spouse had endured an overwhelming 14-year journey, facing four separate cancer diagnoses in that span. The situation had placed an extraordinary strain on their emotional and financial well being.

In the midst of their troubles, they humbly requested assistance with their rent payment. This simple gesture of support would allow them to redirect their limited resources toward the most urgent need: obtaining adequate food. Their situation reflected not only financial struggle but the profound fatigue that comes from years of ongoing medical battles.

The Hospice Promise Foundation was able to provide one month's rent, easing a burden that had become overwhelming. The assistance provided not only practical help, but also a sense of hope and stability during a moment of profound vulnerability.

SUPPORT OPENS NEW PATHS FOR HOSPICE CAREER DREAMS

HEART OF HOSPICE – CENTRAL

Alexandria, LA

Clarice Coutee is a registered nurse and hospice case manager at Heart of Hospice – Central in Alexandria, Louisiana. She began her nursing career as a student in 2004. She graduated and steadily worked her way forward, eventually returning to school while juggling responsibilities like raising a family and working full time. In 2017, she graduated, passed the boards and became a registered nurse, a milestone shaped by perseverance and a growing passion for end-of-life care inspired by the loss of her grandfather.

Clarice graduated pre-Covid, when RNs had to be in practice for a minimum of two years before they could work in hospice. During this time, she witnessed the love and compassion of a Heart of Hospice agency nurse and knew it was where she wanted to be.

After gaining experience in long-term care, Clarice followed that calling and joined Heart of Hospice in 2019. Surrounded by compassion and support, she found a professional home that affirmed her purpose. By 2025, she began reflecting on her future in nursing and, with encouragement from her family and colleagues, decided to pursue a bachelor's degree with the long-term goal of becoming a nurse practitioner.

That next step became possible when her business office manager, Hope Roshto, connected her with educational assistance through The Hospice Promise Foundation. With guidance through the application process and support from colleagues Loren Ducote and Kristi Roberts, approval came quickly. Clarice began her BSN program in June 2025.

Now nearing graduation, Clarice credits both the Foundation and her hospice family for helping her move forward. While she's still considering if and when she'll pursue a master's degree, she remains deeply grateful. Knowing that such support exists gives her confidence for whatever comes next, and she carries that generosity with her as motivation for the future.

GOING FURTHER TO BETTER SERVE PATIENTS AND FAMILIES

CHRISTUS HOSPICE, ST. FRANCES CABRINI

Alexandria, LA

Theresa Bledsoe's journey with CHRISTUS Hospice demonstrates a deep commitment to compassionate service, professional growth and honoring patients and families during life's most meaningful moments.

Theresa began her career in healthcare as a certified nursing assistant (CNA), where she developed a strong foundation in patient care and discovered her calling: to serve others with dignity and empathy. She moved on to different roles, where her dedication and attention to detail allowed her to gain valuable experience in both the clinical and administrative aspects of hospice services.

As her passion for hospice work continued to grow, Theresa moved into her current role as volunteer coordinator for the agency. In this role she oversees the recruitment, training and ongoing support of hospice volunteers who provide companionship, comfort and practical assistance to patients and families. Theresa also leads the We Honor Veterans program for the Alexandria office. She helps ensure that Veterans receive the recognition, respect and specialized support they deserve at the end of life.

In the interest of further strengthening the support she provides, Theresa decided to pursue her Death Doula certification. And with the support of her executive director, Brooke Winegart, and assistance from The Hospice Promise Foundation, she earned her certification. This additional training allows her to offer emotional, spiritual and practical guidance during the end-of-life process and to step in as additional support when needed. Her certification enhances the capabilities of the interdisciplinary hospice team and reflects her commitment to holistic, patient-centered care.

Throughout every stage of her career, Theresa has remained deeply aligned with the mission of CHRISTUS Hospice. Her willingness to grow, lead and serve wherever needed has made a lasting impact on patients, families, volunteers, Veterans and fellow team members alike.

CREATIVE TEAMWORK BRINGS COMFORT AND HOPE TO HOSPICE FAMILIES

GEISINGER HOSPICE

Sellingsgrove, PA

In 2025, the Geisinger Hospice team in Selinsgrove, Pennsylvania, took a fresh approach to fundraising for The Hospice Promise Foundation. With a focus on teamwork and creative thinking, the office formed a new fundraising group open to all hospice team members. Meeting monthly allowed the group to share ideas, build momentum and plan events that energized staff and built on past successes.

One of the new initiatives included office bake sales held in both spring and fall. These events were extremely successful and saw strong participation across the team. Staff members contributed in a variety of ways: by donating baked goods, volunteering time to help with sales or supporting the events behind the scenes. One volunteer even generously donated handmade crocheted animals, which were popular items at both sales.

In addition to public-facing events, the team also organized several office-only fundraisers. One favorite was an “Ugly Sweater Day,” where staff could donate \$5 for the chance to participate. These activities added a fun element to fundraising while encouraging broad involvement.

The team’s biggest fundraiser of the year was the Wings of Hope Butterfly Release. This fundraiser included promotional T-shirts and saw high levels of staff engagement, from purchasing butterflies or shirts to helping with event setup and cleanup. Team members also played an active role in promoting the event to bereaved families and within the local community.

Through collaboration, creativity and shared purpose, the Geisinger Hospice team successfully elevated their fundraising efforts in 2025, strengthening support for The Hospice Promise Foundation and the mission it serves.

QUILT RAFFLE HIGHLIGHTS VOLUNTEERS, MISSION AND MEANINGFUL IMPACT

IDAHO HOME HEALTH & HOSPICE

Caldwell, ID

Idaho Home Health & Hospice of Treasure Valley held a quilt raffle that raised \$585 in support of The Hospice Promise Foundation, while also spotlighting the generosity and talent of the organization's volunteers.

The handmade quilt, crafted by dedicated volunteers recruited and supported by volunteer manager Anita Bergquist, was a true labor of love. Each volunteer contributed time, skill and care, stitching together not just fabric, but compassion and comfort. These volunteers donate their free time to create quilts that are later used or gifted in ways that bring warmth and emotional support to patients, families and supporters of the mission.

The winning raffle ticket was drawn by Lindsay Campbell, executive director, who shared that the quilt carried deep personal significance for her and her family. When it was first displayed on the office wall, Campbell immediately felt drawn to it and knew it would make a meaningful gift for her husband, prompting her to purchase multiple raffle tickets.

The quilt's design resonated strongly during a season of loss for Lindsay's family. It was their first holiday season without both of her husband's parents. His mother was especially fond of cardinals, while his father was rarely seen without one of his plaid shirts. Seeing both cardinals and plaid woven together in the quilt felt intentional and comforting – a reminder of shared memories and enduring presence. For Lindsay and her husband, the quilt represented a sense of closeness and reassurance, like being wrapped in a familiar hug during a difficult time.

Beyond its personal meaning, Lindsay noted that the quilt beautifully reflects the heart of The Hospice Promise Foundation. The Foundation exists to show up when life is hardest, providing comfort, hope and compassion to those served. The quilt, lovingly created by volunteers who believe deeply in the mission, is one more example of how collective efforts can have a lasting emotional impact.

Lindsay expressed gratitude for the continued support of employees, volunteers, donors and community members who help make this work possible.

"Thank you to everyone who supports, donates and believes in this foundation," she said. "Every little bit, every stitch and shared story makes a difference in helping us make moments of comfort possible and keeping this mission alive, which truly matters and makes a difference."

2025 HOSPICE PROMISE FOUNDATION FUNDRAISING

ALL LHCG TEAM MEMBERS

“ *The Hospice Promise Foundation, forever thankful for all you do to support our communities each day! You make my job so much more rewarding and fulfilling.* ”

The Hospice Promise Foundation kicked off 2025 by inviting partner agencies to show off their Foundation t-shirts on social media, sharing photos, stories and heartfelt reasons why they love supporting the cause. And the momentum didn't stop there: Additional T-shirt sales generated \$314, enabling us to make a greater impact. It was a truly inspiring kickoff to the year, celebrating our shared compassion, strengthening our partnerships and setting the tone for an amazing year of giving!

Summer arrived and turned up both the heat and the excitement. Our festive Road Trip Giveaway raised \$349. Supporters who made a donation were entered to win an ultimate bundle of summertime adventure gear: a grand prize featuring a fully stocked cooler packed with road trip must haves and treats, plus a \$100 gas gift card to fuel the journey. It was a sunny, feel good fundraiser that brought out everyone's vacation spirit and made giving back more fun than ever!

Thanks to everyone who took part in these fundraising activities. Your spirit of generosity touched the hearts of so many people we serve. Because of your support, we are able to step in and provide help to hospice patients and their families during some of their most difficult moments, covering essential expenses they simply cannot manage on their own. Your kindness brings comfort, dignity and hope when it is needed most.
