

Personal Care: **COMMUNITY-BASED SERVICES**

We partner with patients at home who need care and companionship.

Our community-based services program is an affordable and personalized care option that offers a wide range of services to patients at home or in a medical facility. Our team of skilled caregivers and home care aides are dedicated to providing high-quality, compassionate care at home.

Home care aide services:

- Assistance with grooming, bathing and dressing
- Medication reminders
- Meal preparation and assistance with feeding
- Light housekeeping
- Respite care
- Caring companionship and socializing
- Errand services (grocery store, post office, etc.)
- Transportation (doctor's appointments, church services, hair appointments, etc.)
- Mobility, transferring and positioning assistance
- Toileting or incontinence care
- Oral hygiene
- Sitting with hospitalized patients

Meeting the unique needs of each patient and family is our top priority.

- We are available 24 hours a day, seven days a week.
- We offer a multidisciplinary team of high-quality caregivers.
- We promise an exceptional level of professionalism and customer service.

Skilled nursing services may be available at some locations:

- Wound care
- Enteral and parenteral feedings
- Medication management
- Nutrition counseling
- Medication injections
- IV therapy
- Catheter care and changes
- Oxygen use and safety
- Use of air compressor, hand-held nebulizer, and MDI

Call your local provider today for more information.
